ITY TO RAISE WATER-SEWER RATE

By Harold Cliff
City Manager

Published in this week's paper new water and sewer rates by the City Council August 1, 1967. These new rates become effective October 1.

The purpose of this rate raise is described as follows: For a considerable period the City has subsidized the water and sewer funds by real property. This amounted to 15 to 35 percent of total income, which is approximately 2 1/2 to 3 percent. As costs rise more money is needed to pay these utilities, creating a drain on the General Fund.

The cost of water produced and distribution has increased. The cost of supplying is more than the present for the users of over 5,000.

The cost of meters and repair has increased, also the cost of chemical pumps and repairs. These items increase the operating the system. The improvements to the system to eliminate red water and dead end mains, to water mains such as 24" diameter that are not adequate to supply the quantity to users on these lines, to pressure to equalize, to install a new well to increase the volume of water against failures such as summer.

My feels that with these efforts our users will receive the finest quality of water service. Revenue from sewer service, even though years ago a raise in it was put into effect. Here, raised costs have risen to the point where the present is not sufficient to maintain operation. Demands on the city by the State Health Department and the Resources Commission forced the City to a Sewer Treatment Program for 1967. This increases the maintenance and operation of the sewer department. To cover this deficit a rate raise was necessary.

Cost per User
1967-68 budget, the cost of water and sewer is \$9.80 per month which includes contribution from General Fund (approx.). Without contribution average monthly cost is \$8.11, a saving in proportion of \$1.69 per month. Proposed new rates for a year is only \$9.00, a saving. The present minimum and sewer bill is \$3.50. The new minimum is \$5.70 per month, a saving of \$2.20. Rates may seem high to some but in making a comparison with other cities the new rates are average.

Water is a commodity that has

to be manufactured and distributed the same as other items used in the home. Costs in production are constantly rising, therefore, the sale price must rise accordingly or the utility goes in the red. The city has known for some time that rates would have to be raised. Now, with a large expansion program, it is necessary to be able to finance the project.

All of these sewer and water mains must be installed before a street improvement program can be started. Our streets are in a deplorable condition. The maintenance is getting to be a very costly item, so something must be done. The City Council is aware of the costs and knows that this is a big step to take, but they have no alternative but to proceed. Better water, better streets is their objective. Your cooperation will be appreciated.

Set Kirtland Tuition Rate

College Adopts
Semester Plan

The Board of Trustees of Kirtland Community College established the tuition rate for Kirtland Community College at \$125 per semester for students who live in the college district with fees totaling \$25.00. For students living in Michigan but not within the four counties of the college district, the tuition will be \$175 per semester with fees of \$25.00.

In arriving at this tuition and fee schedule, the Board wishes to make college education available to all students in the district reported Lloyd H. Van Buskirk, President. The purpose of community college is to make education available at low cost in order to encourage students who would not normally attend college.

A student attending Kirtland should only have to consider for additional expense, the cost of text books and supplies as well as transportation to the college. It is estimated that a student attending the college could well get by at an annual cost of \$500.00 or less.

Applications for enrollment in the fall of 1968 will be available soon and many students interested in enrolling next fall should either phone or write the college office requesting an application.

In order to enable Kirtland Community College students a smooth transfer from high school to college, the Board of Trustees has adopted the semester plan for the college calendar although dates of actual enrollment will not be established until later this year. This action was taken in order to facilitate staffing and planning for enrollments in the Fall of 1968.

Also discussed at the meeting was the possibility of terms, trimesters and the quarterly plan. It was felt, however, that the semester method would best suit most of the high schools in the college district and would also enable students who wish to do some preliminary remedial work, especially in the areas of mathematics and communication arts, an opportunity to accomplish this in a summer session and then be able to enroll with their regular classmates in the fall.

The semester plan also is more compatible with the majority of the colleges and universities in the state and should make transfer to those institutions more convenient for Kirtland graduates.

Hospital Receives \$350,000

The Avalanche was notified Monday in telegrams from Senators Philip A. Hart and Robert E. Griffin and a phone call from Congressman Elford A. Cederberg that a \$350,000 Public Health service grant has been awarded to Mercy Hospital to provide a 40-bed, long term care unit addition to the general hospital.

Sister Mary Janice, R.S.M., Administrator of Mercy Hospital, Grayling, also received through Senator Hart, official notification of the award. This expansion project consists of a 40-bed extended care addition to the present 68-bed acute care hospital, as well as some remodeling and additions to the present building.

The work in the present building will provide additional physical therapy, dietary, personnel, pharmacy and laundry facilities to meet the requirements for the expanded facility.

Also included in the proposed project, are revisions necessary to update and/or expand present administrative, x-ray, laboratory, emergency, surgery and delivery areas. No federal funds are available for the last portion of the work.

Although this project provides for 40 beds, the facility will be designed for orderly additions in the future to bring the total capacity to 80 beds.

The Grayling area at present is devoid of suitable long-term care beds and the Michigan State Plan indicates an A-1 priority for extended care facilities in the area.

Preliminary plans have been submitted. Cost estimates are at \$1,122,780. The hospital is negotiating a loan for \$700,000. Present progress has been impeded by the lack of adequate water supply and sewers for the additions. Plans cannot continue unless there is satisfactory assurance that the City of Grayling can offer needed utilities for the additions.

Sister Mary Janice states that the hospital is anxious that such facilities be available soon so that construction may begin.

Under the new standards undergraduate college students satisfactorily pursuing a full-time course of instruction and making proportionate progress each year may be deferred until they graduate, reach age 24 or drop out of school, whichever is the earliest.

Students making make written request for deferment and obtain college certification of status at the beginning of each school year. Class standing or college test scores will no longer be used as a criteria for student deferment.

Individuals deferred as students will no longer be eligible for later deferment as fathers. They also may be liable for induction later along with any specific age group called for induction by the Defense Department.

Graduate student deferment requirements have been tightened. After October 1 only graduate students in the health sciences or in other critical fields designated by the director of Selective Service may be deferred.

Students entering graduate school for the first time by October may be deferred for one year. Students starting their second or later year of graduate study by October may be deferred one year to obtain a master's degree or up to a total of five years of graduate study to earn their doctorate.

All student classifications will be reconsidered by October. Deferments will be denied to students who do not submit written

Sorenson's Win Title

By Harry Miller

Congratulations to the champions — the Sorenson Suggers. Hats off to Derek and George McEvers and this fine ball club. It is men like them who make Little League so successful in Grayling.

There were so many close, exciting games this year. Win or lose the boys had the chance to play ball, which surely made them better sports. They have learned to play as a team.

Thanks go to Duke and Tom LaMotte, manager and coach of the Legion, and Frank Schmidt, manager of the Military. The umpires were superb. A special thanks goes to all the Moms and those cold suppers.

To the sponsors, A. J. Sorenson, the American Legion, Moose Lodge, Military, Bear Archery Company, Rochette's Shell, Miller Hardware and the Grayling Restaurant, the Little League extends a thank you.

There have been many men, women and children who offered their time to Little League, and without their help the league could not exist. Thanks again!

Marsack Bound Over To Circuit Court

Examination for Peter R. Marsack was held Thursday, August 24 before Justice of the Peace Olin Williamson in the Crawford County Courthouse.

Marsack has been free on bond in the alleged fatal shooting of Roger Hartman at approximately 3 a.m., Sunday, July 2nd.

It was the decision of the court at the examination that Marsack be bound over for Circuit Court for arraignment on charge of murder. The Justice did not attempt to establish the degree of the offense. At present he is free on \$2,500 bond.

James McNally of Higgins Lake, court-appointed attorney for Marsack had demanded examination.

Hartman's body was found, shot through the heart, lying in the middle of Chase Bridge Road in South Branch Township north of Pioneer Road intersection by deputies of the Roscommon Sheriff's Department.

Arraignment will be held on the second Tuesday in October. Bond was continued.

Two Fires in County

The Grayling Fire Department responded to a call at 9 a.m. Thursday morning at the George Griffith home near Wakeley Bridge, when a combination radio and record player overheated, causing the house to fill with smoke. No damage other than to the instrument was reported.

At 9:30 a.m. Tuesday the Fire Department was called to the Jim Connelly home on AuSable Trail south of M-72 and 8 miles east of Grayling. The home was a total loss, as well as the owner's car, a 1965 Buick it was reported. Cause of the fire was an overheated oil burner.

Dow Chemical Begins Second Phosphate Removal Trial

The second field trial of a new process under development by The Dow Chemical Company for removing phosphates from municipal sewage was begun by Dow at Lake Odessa, Mich.

The Lake Odessa trial, which began July 24, will test the process in a secondary sewage treatment plant. The process is also being tested in a primary sewage treatment plant at Grayling. The Grayling trial began June 12 after several months of laboratory analysis.

The Grayling and Lake Odessa trials should be completed by October and the results are expected to provide some important answers to the question of what can be done to control phosphates.

Phosphate removal from municipal sewage is generally regarded as one of the key problems that must be solved in order to improve the condition of the nation's lakes, rivers, and streams. Phosphates stimulate the growth of aquatic plants such as algae. As the plants grow in number, they make increasing demands on the available oxygen in the water. Less oxygen is then available to support other marine life and to aid in the natural con-

version and purification of other waste material. If left unchecked, the rampant growth of aquatic plants can lead to the death of a given body of water.

Dow's process involves the addition of metal ions, usually iron, to the waste stream to convert the phosphates from a soluble (dissolved) state to an insoluble state. Organic flocculants (commonly referred to as polymers) are then added to flocculate the insoluble particles and cause them to settle out of the water.

Both the Grayling and Lake Odessa trials are part of a cooperative effort between Dow and the Michigan Department of Public Health. Dow is also working closely with the city of Detroit on the phosphate removal project. (See Dow Chemical — Page 10)

Sportsman's Club

Two Clubs Plan Turkey Shoot and Chicken Barbecue Sunday

The sixth annual Turkey and Chicken Barbecue will be held this Sunday, September 3rd at the Grayling Sportsman's Club, one mile west of Grayling on Old 83 (Karen Road).

Participating again this year are the Grayling Sportsman's Club and the Grayling Kiwanis Club.

The whole family is laid out for the day. Turkey Shoot is planned for afternoon with entry fees.

Chicken Shooters may bring and use their own shotgun. The chicken barbecue will be served starting at noon until all the food is gone. It will be a complete meal and the charge will be \$1.75 for adults and \$1.25 for children.

Also to be enjoyed will be an archery range, horseshoes courts, trap and moose shooting and kiddies wagon rides.

Speakers for the two clubs stressed that this event is sponsored for everyone and you need not be affiliated with either club.

TO HOLD MEETINGS ON NEW CONSENT LAW

Michigan's newly enacted Implied Consent law will be carefully reviewed and explained in a nine-city series of Governor's Regional Traffic Safety Conferences this fall.

Gerald W. Shipman, Executive Secretary of the Michigan State Safety Commission, conference coordinating agency, said, "This new tool for law enforcement authorities will, hopefully, bring some favorable results in the fight to keep the drinking driver off our roads. The public needs to know more about this law that will become effective November 2, 1967 and we plan to have a presentation at the conferences covering the use of breath testing devices and correlative legal implications."

Additional conference sessions will be presented covering legislative review and priority aims in the fields of education, highways, enforcement, licensing,

public support and federal-state traffic safety relationships.

The conferences, open to the public, will be staffed by key state and local personnel. Local committees in the various locations are working with the Safety Commission in co-sponsoring the events that will see Lt. Governor William G. Milliken, Secretary of State James M. Hare and Col. Frederick E. Davids, Director of the State Police, delivering main addresses on alternate dates.

The state wide schedule begins September 11 in Lansing and is followed by meetings in Saginaw — September 13; Tecumseh — September 15; Pontiac — September 18; Gaylord — September 20; Niles — September 22; Sault Ste. Marie — September 29; Grand Rapids — October 2; and Escanaba — October 6.

M-Sgt. Albert J. Charron Receives Joint Service Commendation Medal

For "meritorious service" while assigned to the Training Directorate, U.S. Military Assistance Command, Vietnam, Master Sergeant Albert J. Charron, Jr. has been awarded the Joint Service Commendation Medal. Sergeant Charron served in Vietnam for one year prior to his assignment as personnel specialist in the Army Materiel Command (AMC), Washington, D.C.

AMC develops, produces, supplies, and maintains weapons, equipment, and other material for the Army. Consisting of a nationwide network of more than 150 military installations and activities, its annual expenditure is nearly \$15 billion. It employs approximately 14,000 military and 165,000 civilian personnel.

A native of Grayling, Michigan, Sergeant Charron is a 1946 graduate of the Grayling High School. He has earned his associate in arts degree from George Washington University, Washington, D.C.

Since entering the Army in October 1946, his key assignments include: service as an infantryman during the Korean conflict in 1950-51; duty for three years with the Comptroller, U.S. Army, Communications Zone, Europe, Orleans, France; and at-

tache duty, U.S. Embassy, Amman, Jordan.

In addition to his JSC medal he holds the Army Commendation Medal and the Combat Infantry Badge for duty in Korea.

Sergeant Charron resides at 6303 Abilene Street, Springfield, Virginia, with his wife and six children. Mrs. Charron is the former Barbara M. Lemke of Grosse Pointe, Michigan.

Her parents are Mr. and Mrs. Joseph Lemke of Grosse Pointe.

Handy Hints
from HEIDI MATTHIAS

PRICES! PRICES!

Everyone is talking about prices, and food is no exception. BUT, before we start complaining too hard — let's take a real good look at ourselves as consumers. What we want are "1967 wages, 1935 prices, 1928 dividends, and 1900 taxes."

And too, we as consumers are contributing to higher food prices. We are feeding many more — actually millions — of food devouring teenagers. We are buying more and more of the more expensive convenience type foods. And we are buying more and more meat — the costliest food item — and less of the inexpensive satisfying foods.

When we go to the food store to shop are we counting everything we buy there as food? If we are we aren't being fair. Actually, it has been determined that out of the Total Food Store Spending 23% is spent on non-food items.

THE FOOD DOLLAR IS NOT IT IS NOT the money spent at the food store for household supplies, health and beauty aids, housewares, clothing, or magazines.

It is NOT usually considered to be money spent for soft drinks, chewing gum, tobacco, alcoholic beverages, or pet food.

SO WHAT IS THE FOOD DOLLAR?

It is money spent for food eaten at home or away from home in restaurants, office or plant cafeterias, from vending machines or in school lunch rooms, etc. Approximately 1/4 of our food dollars on a national average — are spent for meals purchased away from home. The other 3/4 buy the food served at home.

Of the 77 cents of the dollar spent in the food store, about 23 1/2 cents goes for meat, 9 cents for fresh fruits and vegetables, 10 cents for dairy products, 4 cents for food from the freezer cases and 30 1/2 cents for groceries.

If we really wish to control our food dollar expenditures then there are some things we can do to help.

First of all, really know your present food only costs. Study how you are presently spending your food dollars and determine which types of food purchases are out of line.

Cut down on the expenditures for meat and use more alternatives such as fish, eggs and cheese.

Watch the specials — particularly those on meat — tuck an extra roast, etc. away in the freezer for future use. Also, watch now for specials on processed fruits and vegetables. Use less of the already prepared convenience type foods.

If our decision is not to make any changes in our food buying which can produce savings, then let's be fair in our own analysis.

The Grassroots Rumble

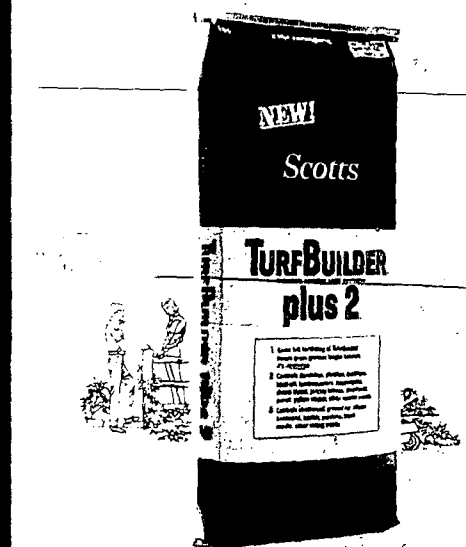

As one reads comment in the press from over 50 states, there is growing evidence that more and more persons are getting tired of working to something and then have it taxed away to be it for all manner of political projects. We now have two generations of young people never knew what it was like to earn a dollar not have to account for it to state or federal officials. Most individuals now need professional to fill out complex tax forms. More and more people are getting tired of seeing the cream of their income spent for give-away games, domestic and foreign. They want the sure of spending, saving or losing some of their earnings. No wonder the demand is growing a decrease in government extravagance. The taxpayers are assessed, the more the taxpayers spend. There is no thought of saving. People will only get relief by their "NO" votes. The measures and the record of every candidate before voting "YES", as you are voting to your own life's earnings.

Save money as you weed-'n'-feed your lawn

This is the lowest price ever on Scott's amazing TURF BUILDER PLUS 2, the grass fertilizer that also clears out 17 kinds of broad-leaf and vining weeds. Results are outstanding. As weeds fade away the fertilized grass fills in where the weeds were, turning unsightly weed patches into handsome, vibrantly green turf.

Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE FILES OF THE AVALANCHE OF 23 YEARS AGO

August 31, 1914

We acknowledge with thanks the receipt of contributions from George Olson, Zauel's Tavern, Hon. Frank Bell of Negaunee, and Mr. and Mrs. W. Letzkus of California. During the past week, through the courtesy of our State Highway Department, the Loselle Construction Co., who are now paving U.S. 27, distributed about 150 yards of gravel on one of the main drives in the cemetery. Our Superintendent, Otis Cook, and his efficient crew are making every possible effort to complete the work in the Old Cemetery this fall. The long dry spell this month has made it necessary for us to keep our sprinklers running night and day. We are receiving many orders now for the rebuilding of lots — enough to carry us into the winter months. Every day now we have numerous visitors, and many from out of town, so we conclude the work we are doing is receiving wide publicity, and this publicity comes to us thru the columns of the Avalanche. Several tons of fertilizer have been received all of which will tend to build up the soil and help our lawns. In spite of the long dry spell, we have managed to keep them green. The money we receive through contributions is being used to reconstruct and beautify many forgotten graves, and helps us to carry on the good work. We appreciate more than we can express the cooperation of our citizens. Our committee meets the first of every month at 7:30 p.m., in the Court House. You are cordially invited to attend our meetings, and we would appreciate your suggestions for the improvement of our two cemeteries.

Cemetery Committee
This week-end the Third Battalion, coming from 460 West Canfield, Armory, Detroit, will be the last group of Michigan State Troops to train at Camp Grayling this season. They will have maneuvers in the same line as previous groups consisting of bayonet, rifle, machine and tommy-gun practice. Last week's occupants of the camp, the 1st Battalion, 34th Infantry Regt., received gas instruction from Major Price of the Regular Army, who is stationed at Fort Custer. It has been very interesting to have the State Troops with us this summer, and we hope they will continue to come to Grayling for their training.

Second Lieutenant William O. Bolinger, son of Mr. and Mrs. William J. Bolinger, 18912 Russell Avenue, Detroit, has been promoted to the rank of First Lieutenant. After serving six months overseas in the European theater of operation, Lieutenant Bolinger was assigned to Moses Lake army airfield in the Fourth Air Force as a flight instructor, so that trainee pilots now benefit from his experience in combat. A resident of 505 Clyde St., Grayling, he is a graduate of the Grayling High School. Prior to his entry into the service he was employed at the Ford Motor Company as a blueprint engineering clerk.

Bayward LaMotte of the U.S. Navy has been spending part of a 30 day leave here with his parents, Mr. and Mrs. Walter LaMotte, and other relatives. He wears two battle stars. Amarillo Army Air Field, Amarillo, Texas — Roy J. Kanisto, husband of Mrs. Roy Kanisto (Jenny Wirtanen) of Grayling, has completed his course of studies as an aviation mechanic in this Army Air Forces Technical Training school. His graduation from this technical school now fits him for airplane maintenance and he will be sent to an air base where he will assist in keeping America's Flying Fortresses in the air for Allied victory. In addition to completion of the schedule of academic and practical studies as an aviation mechanic, he has been thoroughly drilled in military tactics and defense and a course of physical training that has conditioned him to meet all requirements of an American soldier.

Robert W. Strong, Managing editor of the Greenville Daily News, and Mrs. Strong, spent Tuesday and Wednesday in Grayling. They are friends of Mr. and Mrs. O. P. Schumann.

Dr. V.L. Garbutt of Detroit, for many years a summer resident on the AuSable River, gets reminiscent about the happy vacations spent in Northern Michigan in the following narrative:

"April 30th, 1911, we made the first trip, by train, of course, and arrived in Grayling at 5:30 o'clock. Jess Schoonover and his buckboard met us and took us down to Recreation, a trip of 10 miles, with no cushions on the seats. Postmaster and Mrs. James McDonnell went to Bay City last Friday and attended the Goss family reunion, which was held at Carroll Park. There were some 100 relatives in attendance. They returned Sunday.

Mr. and Mrs. Arthur Clark and son Pat, drove up from Saginaw last Saturday to get their son Terry, who had been visiting his grandparents, Mr. and Mrs. A. J. Clark.

"Just 34 years of fishing on the AuSable, what more could a man want? Forty-three years practicing medicine in Detroit never could have been accomplished had it not been for my vacations at Grayling, where men are men and women are proud of it. The fun we used to have. One time we put Hawk and Tee Hanson together in an electric-wired bed, and they thought a snake had bit them; so the bums got even by putting two small fish into our live box and then called the game warren. Well, it cost us \$8.75 each.

Corporal Richard H. Rasmussen of Grayling, is now stationed at this (B-26) Marauder base where he is receiving advanced training under simulated combat conditions. In this final phase of training he is being instructed by men who have had combat experience over enemy-occupied territory. When he leaves here to face "Jerry" he will have mastered the newest tricks and dodges of air war. Cpl. Rasmussen is an armorer-gunner on one of the famous medium bombers that have played such havoc with German defense. He was trained for his key crew position at the A.A.F.'s armament

school at Lowry Field, Colorado, and at the Fort Myers, Florida, gunnery school. He arrived in the European theater of operations in July, 1944. Before he entered the A.A.F.'s in 1943 he was a student at Grayling High School, from which he graduated in '42. His parents, Mr. and Mrs. Harold Rasmussen live at 303 Peninsular St., Grayling. ... had 'cess to them! But did we have fun. "Now we are leaving the old AuSable for sunny California. It is surely our hope to be back in 1946 to meet our old friends: Earl Madsen, George Griffith, Major Haukhurst, Abe Joseph, Doctors Keyport and Clippert, Ad Lewis, and the res of God's chosen people."

The Kenneth Cassidy family of Detroit are at the John Brady cottage on Eagle Point for two weeks.

Miss Irene Tahvonen, who is attending Bay City Business College spent the weekend at the home of her parents, Mr. and Mrs. Carl Tahvonen.

Charles Fehr left Friday for East Tawas, where he makes his home with daughter, Mrs. Gale Clise, after spending some time at his home here.

Miss Audrey Gannon of Big Bay is visiting her grandmother, Mrs. Oscar Smock of Frederic.

Mr. and Mrs. John Schofield are the proud parents of a 10-pound baby girl, born Sunday morning. She has been named Glenda Gail.

Judith Ann Nadeau of Pinconning is spending the week visiting at the Wilfred Laurant home. Art Clough recently caught a large-mouth bass in Lake Margrethe that tipped the beam at 4 1/2 pounds, bait, a chub.

Mrs. William Johnston and granddaughter Madlyn Williamson of River Rouge, are visiting Mr. and Mrs. Oscar Smith. Mrs. Cora Teepie and Mrs. Martha Rouse, of Nashville, Michigan were weekend visitors at the home of Mrs. Lawrence Balch.

Mr. and Mrs. Floyd A. Cole of Muskegon left Tuesday, after spending a few days at their home here and visiting Mr. and Mrs. Nyland Houghton.

Miss Shirley Nelson, daughter of Mr. and Mrs. Tracy Nelson, has enrolled in the Bay City Business College and will leave next Monday to begin her studies.

Last Friday, John, son of Mr. and Mrs. John Libcke, celebrated his 9th birthday. Nine little friends called on him and enjoyed a dinner, later attending the theatre.

Dr. and Mrs. V. W. Garbutt are leaving their cabin on the AuSable Wednesday, and moving to California where they are

making their home permanently. However, their plan now is to return to Northern Michigan for the summer of 1946. Their many friends here will be anticipating their return.

Mrs. R. L. Bensinger and daughters, Barbara Lee and Peggy Ruth and Kenneth Gothro and Fred Twist, all of Lansing are visiting in Grayling until Labor Day.

Everett Corwin returned to Flint, Sunday, after spending a week with his parents. He and his daughter, Dorothy, Mr. and Mrs. Charles Corwin, Jr., and Eugene spent two days in the Upper Peninsula last week.

In honor of her son's eighth birthday, Mrs. Lawrence Balch entertained ten young friends at the theatre; afterward they returned to Larry's home, where a delicious lunch was served. Miss Mary Jane Joseph, daughter of Mr. and Mrs. A. J. Joseph, left August 28 for Washington D. C. where she accepted a position with the Welfare and Recreational Association of Public Buildings and Grounds. Miss Joseph, having received a Bachelor of Science degree in Home Economics in June from Michigan State College, will act as a food supervisor in one of 58 cafeterias in operation in government buildings.

Misses Anna Nielsen and Mabel Richmond returned to Grand Rapids Sunday, after vacationing at one of the Nielsen cottages on Lake Margrethe for two weeks and visiting the former's parents Mr. and Mrs. Julius Nielsen. Returning with them were Mrs. Mildred Miller and Miss Mabel Nielsen, who had been their guests for a week.

Miss Billyann Clippert and

Miss Barbara Borchers spent from Friday until Monday visiting friends in Detroit.

Bridal Shower Held Miss Karen Atkinson was guest of honor at a linen shower given Tuesday, the 22nd at the home of her aunt, Mrs. Robert Sorenson, with Mrs. Bob Golinick and Mrs. William Cox, co-hostesses. A couple warm-up games were played, with prizes won by Miss Sally Golinick and Jill Harwood. Karen was assisted in opening her gifts by Mrs. Bob Golinick and Miss Minnie Sedgewick. Barvarian cream and cupcakes were served from a white table centered with a miniature bride and groom flanked by white flowers and blue tapers. Karen will become the bride of Karl Golinick on September 24.

Lake Margrethe

By Marjorie Flower

Mr. and Mrs. Andrew F. Wilson of Lake Margrethe and Detroit celebrated their 25th wedding anniversary August 22 by renewing their vows at mass at St. Mary's Church. Sons John, 21, James, 19, and Robert, 16, were in attendance, while son Michael, 24, sent greetings from New York City where he is beginning a career in professional photography. The couple was married August 22, 1942, at Key Field, Meridian, Mississippi. Mrs. Wilson is the former Margrethe Jean Michelson.

Mr. and Mrs. Kenneth Hildebrand and little son of Lansing spent the weekend here.

The home of the late Mrs. Eva Lewis is being torn down. It is either the first or one of the first houses to be built on Lake Margrethe.

Mr. and Mrs. Robert Young and children of Saginaw, and Mr. and Mrs. James Horton of Ellish, spent the weekend at the Youngs' place at the lake.

Mrs. Howard Porter and Mrs. Joseph Porter and children met Joe at the Traverse City airport last week. He flew here to drive his family back home to Philadelphia Sunday.

Mr. and Mrs. Thomas P. Jenkins of Indianapolis, Ind. have had their son Tom and family visiting them.

Mr. and Mrs. Jack Welch are the proud parents of a son, Jeffery Hayes Welch, born Thursday, August 24th at Mt. Pleasant Community Hospital. Jeff's birth weight was 8 pounds. His grandparents are Mr. and Mrs. Les Welch and Mrs. Robert Hayes of Grayling. Bob says he is too young to be a grandfather.

Col. and Mrs. Kenneth Larkey and family arrived last Tuesday at Lake Margrethe for their annual vacation. They will be staying at Camp Grayling until after Labor Day. Col. Larkey is retired from the Michigan National Guard but he is assigned as a Supply Manager at the U. S. Army Tank Automotive Command in Warren, Mich. In addition to the Colonel's wife, Joyce, who is an avid fisherman, his four daughters Lynn, Sharon, Debbie and Ramona and his son Kenneth Rayner are enjoying the visit to Grayling.

Mr. and Mrs. Frank Smith of Stanton and Mrs. L. Puffer of Bay City were Saturday callers at the Star Flower home. Mr. and Mrs. Smith will leave September 3rd for a three-week vacation in California. J. Carpenter of Bay City and friends also called on Mr. and Mrs. Flower Friday.

Mr. and Mrs. Roland Thompson spent an afternoon last week with the E. J. Birdsalls, all enjoying some huckleberry picking.

Maple Forest By Beale Feldhauser and Mrs. Arthur Howse

Congratulations to the newlyweds, Bruce and Alta Babbitt, who are spending their honeymoon in the upper peninsula.

Mr. and Mrs. Maurice Babbitt and family of Grandville spent the weekend with his mother, Mrs. Pearl Babbitt. Mr. and Mrs. Keith Babbitt and family of Grand Rapids also were here for the wedding. Their son Steven spent the weekend with his grandmother.

Mr. and Mrs. Charles Owen spent Wednesday and Thursday in Alma, taking back their grandson, Jim Mattison of Rockford, Ill. who spent the week here.

Mr. and Mrs. Maurice Kelly of Alanson called at the Hummel home Saturday evening, returning from Kalamazoo where they had taken their son Brian to enter Western Michigan U.

Mr. and Mrs. Harold Anderson of Birch Run called on friends in Maple Forest.

The Edward Youngs have completed their move to their home, the old schoolhouse on 412 which they bought three years ago. Young retired last week after 20 some years in Lapeer.

Lovells News By Emma Stillwagon

Mel Caid and family of Detroit are spending a week with his parents, the Russell Caid.

Mr. and Mrs. Ted Morse and daughter Karen of Detroit spent the weekend at their trailer.

Mrs. Dorothy Olney and Mrs. Susan Snooks of Detroit are enjoying a few days at the Bud Bollen cabin.

Mr. and Mrs. Rupe Pearsall and family spent the weekend in Ray City visiting relatives.

Miss Ruth Diana Albert of Detroit spent a few days with relatives.

Mr. and Mrs. Shriner of Detroit are visiting friends.

Mrs. Manda Lutz of Battle Creek returned to her home after spending several weeks visiting her sister and husband, Mr. and Mrs. Russell Caid.

Mrs. Marie Duby spent the week visiting in Midland. The Cheerful Givers Club will meet Thursday evening, at the Club house.

Start Highway Project On I-75 Business Loop

LANSING — Start of work on the highway safety projects in Crawford and Lapeer Counties and completion of work on a safety project in Arenac and Bay Counties was reported today by the State Highway Commission.

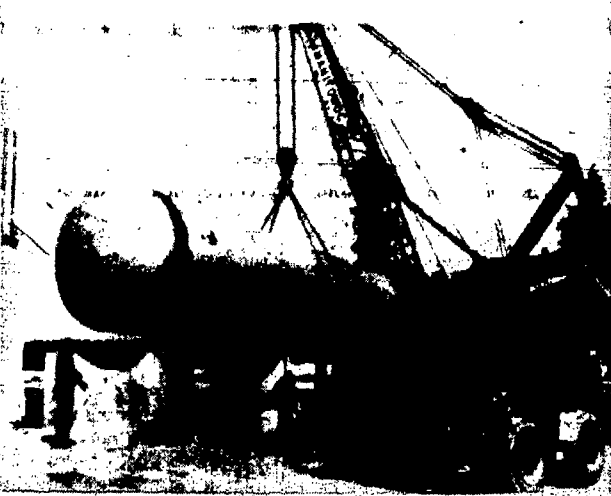

The three projects, which will cost nearly \$146,000, are part of the Commission's 1968 Spot Safety Improvement Program.

Projects started include: Three-quarters of a mile of widening, and paving turn lanes from the intersection of I-75 Business Loop and M-93 in Grayling. The director on the \$28,521 project is the Lake and Howell Construction Co. of Whitmore Lake. State Highway Director Erik E. Stafseth announced

the appointment of Harold M. Armstead of Grayling as project engineer. Cost of the project is financed entirely with state funds and work is expected to be completed in October.

FETED WITH SHOWER

On August 17th Miss Sharon Long was the honored guest at a bridal shower given by Mrs. Edward Gierke in her home. Pink and white gladioli and bells decorated the rooms. The guests played games for entertainment. Sharon opened her many lovely gifts before sitting down at the beautifully decorated table centered by a lovely bridal cake. At each table place there were bouquets with Sharon's name on each one.

On August 14 the Fuelgas Co., Inc. of Grayling, Michigan, installed an additional 30,000-gallon Liquifuel Petroleum gas storage tank which is pictured here. This 50-ton Fuelgas tank was delivered and set into new saddles by the Dobson Heavy Haul Equipment Co., under the supervision of George Silverthorn. Pictured is the 65-ton Manitowoc mobile crane used to handle the weight of the tank.

This additional storage has become necessary because of the Grayling area distribution and as a reserve storage for contemplated further expansion. Lloyd Vibber, manager of the Grayling plant, says that the Grayling plant is one of the first in Northern Michigan to require this size storage.

BITS O' TALK

Hans Andrews and family of Battle Creek visited his mother Mrs. Grace Andrews weekend before last.

Mr. and Mrs. Herman Guckenberger of Cincinnati, Ohio, were guests of Mrs. Matilda Bishop last week.

Mrs. Roy Clements of Higgins Lake visited the Sam Sherwoods one day last week, and Fr. Joe Sakowski of Grand Rapids was a caller also.

Frank Hebel of West Branch continued as "King of the Hill" in the weekly bowling matches held at Cherven Lanes in Roscommon every Monday evening. For the second week in a row, Dan Canfield of Grayling made the finals only to falter in his last game. This week Canfield fired games of 212-198 and 179 to reach the finals and then bowled 198 in the final match to Hebel's 163.

Making the top 8 finalists this week were Terry Dawson, Terry Beutler, Byron Sisco, Ben Garland, Ed Cherven from Roscommon and Dan Canfield, Pete Latusek and Leroy Neal from Grayling.

The Marvin Hallett family enjoyed a two-week vacation trip to Yellowstone National Park, also visiting Mary's cousin at Glasgow, AFB, radar station in Montana. They stopped on the way back and visited their parents, returning home August 20, tired but glad of the opportunity.

Mr. and Mrs. Joe Merrill of 1112 Ashman St., Midland, are observing their golden wedding anniversary Sunday, September 3rd with an open house being given by their children from 2:30 to 4:30 at the Midland Community Center. The Merrills' children are Dwight E. and Wright L. Merrill of Midland, Mrs. Devere (Pauline) Dawson of Grayling and Mrs. John (Maxine) Key of Nashville, Tenn. Mr. Merrill was employed at a local auto dealer's while living in Grayling before moving to Midland.

We have found a wonderful Machine to shampoo carpets without water... named Racine; \$1 rental. Non-Wet Shampoo Service. Marjorie Walker Phone 348-2432.

Mr. and Mrs. Robert Morehead and family of Middletown, Ohio returned home last weekend after spending two weeks at the McCullough home on the East Branch. McCullough was with his daughter and family the first week of their stay, returning to his home in Rochester Wednesday of last week.

Let patience have its perfect work, that you may be perfect and entire. (James 1:4)

Patience is not a do-nothing quality. Some persons feel that patience is like marking time; but this is not so. It takes great strength to be patient. It is a needed quality in all of us. We need patience in little things that annoy or frustrate us. We need patience in handling human relations; we need patience in handling family affairs; we need patience in meeting all the various phases of our life.

Fred Bear Camouflage Makeup Serves Double Purpose for Hunter

Before you move in know the facts about insurance

Fact 1: Fire insurance alone on home and contents is not enough. Your home could be destroyed by windstorm, explosion or other hazard.
Fact 2: Theft coverage of your possessions, at home and away, should be included.
Fact 3: A lawsuit judgment against you could cost you everything you own. You need liability insurance.
Fact 4: You get all this and more in one Homeowners policy...with one low premium!

Fred Bear Camouflage Makeup serves double duty for the hunter — it deceives the bucks and keeps away the bugs.

A new concept in camouflage makeup cream, this latest aid for the hunter from Bear Arch-

ery Company, Grayling, Michigan, is not a dry, chalky stick or a greasy liquid. Instead, it is an effective makeup with a cold cream base containing an insect repellent.

Because the makeup has a cold cream base, it is easily removed and should not irritate the skin.

Fred Bear Camouflage Makeup comes in a kit of three one-ounce plastic tubes in three colors: Bark Brown, Glade Green and Shadow Black. The combination allows the hunter to match his camouflage to the season and the terrain. The three tubes come in a handy open-close plastic pouch that makes it easy to transport into the field.

For further information contact the Bear Archery Company, R.R. 1, Grayling, Michigan 49738.

Retirement Benefits Less

A study by the Tax Foundation shows that if Congress raises the Social Security taxes a 21 year old just entering the system isn't going to make out too well. The foundation says such a person will contribute \$32,496 in taxes and accumulated interest over a 44-year work period, while—based on a life expectancy of 13 years after retirement—could only collect \$19,704 in benefits.

OUTDOORS with GORDIE

by GORDON CHARLES

The tragic situation in Detroit, where hoodlums ran wild, pillaging, burning and sniping, has had almost instant repercussions against sportsmen.

Like giant vultures, certain politicians have immediately jumped onto the situation by demanding enactment of the most vicious type of anti-gun legislation.

Here, they say, is proof that the American people have no business owning any kind of guns. Look how many innocent people were shot they say. Many prominent news-papers, columnists, who should know better, have been suckered in by this kind of loose reasoning.

Truth of the matter is, many of Detroit's firemen and police thanked their lucky stars that so many sportsmen live in that city and know how to use firearms.

Many of the very worst fires set by arsonists could not have been fought successfully had it not been for sportsmen with deer rifles and shotguns who stood guard and protected firemen from snipers. This was done during the interval before National Guardsmen and Army paratroopers moved into Detroit to fight the hoodlums.

how many lives may have been saved or how much property was spared from flames by the action of this "sportsman militia" who came to the aid of hard-pressed police and firemen.

All of the strict gun laws in the world could not have stopped the hoodlums from breaking into stores and stealing guns which were then used in sniping at police, firemen and innocent civilians. Somebody is certainly whistling in the dark if they think gun registration could halt such activities.

History is jammed with documented proof that gun regulation always precedes the overthrow of civilian governments and dictatorships. Once gun regulation lists are available, it is a simple matter to call in what is called outlaws of the people refuse to turn in their guns.

It is utterly frightening to contemplate what might have happened in Detroit or in any American city where a hoodlum action might take place if citizens were not allowed to own firearms to protect lives or those of their whelped police officials.

Far from proving that the Detroit riots proved just the opposite. The sportsman knows how to use his guns. He knows how to use his guns to become a volunteer addition to support the upholding of law and order.

Now anyone could argue against that concept is but our imagination but certain let us do it right. Let our Congressmen in Washington and Michigan legislators know how you feel about this right now!

The Michigan Mirror

LOSING EXPORTS
Michigan is losing \$100 million annually by not cultivating overseas markets for its products, estimates Sen. Gilbert E. Bursley (R-Ann Arbor), chairman of the International Commerce Committee, Michigan State Senate.

This potential increase over the state's current export total of \$1.5 billion would create up to 5,000 new jobs each year.

While other states, notably New York and California, have used imaginative and aggressive promotion to increase world markets for their products, Michigan has done little by comparison.

Twenty-eight states will have sponsored by the end of 1967 "hard - sell" trade missions abroad. Fourteen states have found such missions so profitable that they will have sponsored two such missions by the end of this year.

New York runs a constant advertising program in foreign newspapers which promote state products and guarantees that by clipping the enclosed coupon foreign importers will be contacted by New York firms within ten days.

The state makes good its promise, says Sen. Bursley. All inquiries are handled by computer systems. The first year this system was installed it handled some 50,000 product inquiries.

Michigan representation is poor at foreign trade shows and fairs. In 1966 sales for companies from other states, represented at 43 shows, totaled \$84.4 million; an increase of \$24 million over the year previous.

As overseas markets broaden, Michigan's manufacturers and producers should be reaping the rewards. But they are not.

Although Michigan now has the nation's "fourth seacoast," the St. Lawrence Seaway, it is still outdistanced by close-to-home competitors, such as Ohio.

In 1966 some 100 Michigan firms participated in trade fairs or trade-center shows. The number should have been at least five times as large, Sen. Bursley notes.

Quality products of Michigan are well known and would be welcome in foreign markets, according to the Senator.

Yet, in these fast-rising markets, the state's proportionate share of sales seems to be declining. In 1954 Michigan was the second largest supplier of imports. By 1963, while other states such as New York had doubled their sales abroad, Michigan's increase was so slight as to drop the state to eighth place.

BITS O' TALK

Mr. and Mrs. Grover Cason attended the wedding of their niece Miss Nadine Cason to George Gardell, Jr. in Clawson, Saturday. Mr. and Mrs. Gardell are spending their honeymoon with the Casons.

Weekend guests of Mr. and Mrs. Rex McMillen and Kathi were Mr. and Mrs. H. Lukehart of Punksutawney, Pa., an aunt and uncle, also Mr. and Mrs. Garold McMillen of Woodland accompanied by Mrs. Sarah Bogardes of Peninsula, Ohio and Mr. and Mrs. Clinton Dodge of Gaylord. Kathi returned home Friday after spending the previous week in Hastings and Charlotte visiting relatives.

Mr. and Mrs. Marvin Miller and Mr. and Mrs. Rob Taylor of Flint enjoyed their two weeks visiting Yellow Stone National Park and the Black Hills. They left Aug. 12 and returned Aug. 28.

The Dick McLeods and son Billy, of Southfield, spent the week of August 20th with Dick's parents, the William McLeods. On August 13th, the William McLeods, son Jon and Laura McLeod were in Southfield for the baptism of their first grandchild, William Richard at Gracious Saviour Lutheran Church of Detroit, conducted by the Pastor Alan Hegen. Sponsors for William were Carol Dunham of Lansing and Jon McLeod. A family gathering was held at Dick's home following the services. Guests included the maternal grandparents, the Ellsworth Brumms of Detroit, the David Bassos and George Schroeders of Clawson, and the Elmer Dunhams of Lansing.

Mr. and Mrs. Roy Christenson and sons Ronald and James spent the week with his mother, Mrs. Mabel Christenson. Their other son Gerald is in Vietnam. Ronald was home on his vacation from the U.S. Naval Academy, Annapolis, Md. where he has been for two years. He returned there August 28. Ronald stands 25th in a class of 1,500. He has also made varsity. His folks are all very proud of him.

Miss Karen Mauren spent two weeks visiting the William Stewarts in Jacksonville, Texas. She left Aug. 10 and returned Aug. 26.

Mr. and Mrs. Walter Nelson of Lansing were Sunday guests of Mrs. Frank Serven.

Word has been received that William Feldhauser is seriously ill in the Jackson Hospital.

The Bob Niederers and Mrs. Fred Niederer made a trip to Detroit, then Crestwood, Ky., where they visited Dick Bielecki at the church of which he is pastor. He then took them on to Louisville where he is attending school to complete eight years of college. The family toured the Great Smoky Mountains in North Carolina, then went to Tennessee and finally returned home Friday, the Bob Niederers staying here for the second week of their vacation. Saturday the family attended the Johnson family reunion in Grand Rapids.

Mr. and Mrs. Don Hines and family of Detroit returned home Sunday after spending a week at the Danish Landing in their father's cottage.

The Randy Minors and two children of Freeland spent all day Monday with the Sam Sherwoods. Mrs. Roy Clemens of Higgins Lake was an afternoon and evening guest.

Mr. and Mrs. Phillip Drouin of Mt. Clemens reigned as guests at the Longdyke Hideout over the past weekend. The unfavorable weather which prevailed somewhat curtailed outdoor activities, however, conversation within the cabin walls bubbled over as the Drouins related experiences on their trip to Expo via their yacht, Raimi II, an unforgettable 1800 miles by water. Harold and Louise had been invited to join the boaters, however, Mr. L. could not find the 6 weeks time. Mrs. Longdyke did her 1800 miles thrice, driving to various parts of the North on short vacations from her Hideout. Doreen and her Mom have returned to their home in Southfield to make last minute school preparations and to put in swing the Labor Day Weekend Plans!

Meetings of the Grayling Girl Scouts will begin the week of September 10. Each Girl Scout will be notified by mail of their Troop and leaders. A planning workshop on September 14 from 9:30 a.m. to 3 p.m. is to be held for training of Troop Leaders. The following have volunteered, as Brownie Leaders, Miss Karen Mauren, Mrs. Calvin Schreiber, Mrs. John Goss, Mrs. Ralph Anderson, Mrs. Tom Tenary, as Junior Scout Leaders, Mrs. Paul Junttila, Mrs. William Isenbauer, Mrs. Jack Alef, Mrs. Jane Ann Patchak, Miss Rhea Dunham, Mrs. William Kucharek, and Mrs. Clayton Hildebrandt, as Cadette Leaders, Mrs. Bruce Babbitt, Mrs. Albert Kesteloot and Leatrice Gardiner.

Anyone interested in helping scouting, please contact Mrs. Ron Larson or Mrs. Gene Rauch.

Mrs. Earl H. Longworth, Pageant Director of the "Miss Michigan Winter Sports Pageant" of Grayling, has been notified that Miss Mary Louise Paxton, "Miss Michigan Winter Sports 1967," was one of 30 contestants invited to participate in the "National Sweetheart Pageant of 1967."

The 30 contestants have been chosen on the basis of their participation in state pageants. Miss Paxton was selected in June as 1st runner-up to Miss Michigan of 1967. Miss Paxton will represent Michigan in the "National Sweetheart Pageant" which is in conjunction with the "National Sweet Corn Festival" which begins on Sept. 4th in Hoopeston, Ill.

Mary Lou leaves for Chicago on Tuesday, August 29th for a full week of activities and competition with the crowning to take place on Monday evening, September 4th. Large scholarships, many gifts, and the opportunity to travel throughout the country awaits the girl selected "National Sweetheart."

Miss Paxton, 20 years of age, is the daughter of Mr. and Mrs. Robert Paxton of Traverse City and will be a junior at Eastern Michigan University this fall. Our very best wishes go to Mary Lou for her successful participation in the "National Sweetheart Pageant."

Engagement Announced

Mr. and Mrs. Arnold Mauren of 605 Clyde Street, Grayling announce the engagement of their daughter, Karen Louise, to William Alan Stewart, son of Mr. and Mrs. William R. Stewart of Jacksonville, Texas.

Karen is a 1955 graduate of Grayling High School and is employed in the office at the Elementary School in Grayling. Bill graduated from Grayling High in 1951 and is presently employed at Colt Industries Archery Division in Jacksonville.

A November 25 wedding is planned.

ment of Detroit's continuing study to determine the best answers to its pollution problems.

The secondary plant at Lake Odessa treats the municipal sewage from the community, about 2,000 population, and the waste from a seasonal vegetable processing operation. Effluent from the plant is discharged into Jordan Lake, which is slowly being choked with algae growth and is now a bright lime color. The removal of phosphates from the effluent of the Lake Odessa treatment plant would help slow the algae growth.

Grayling is located on the AuSable River, a famous trout stream. Dow's phosphate removal process is being used by Grayling as the first in a series of sewage treatment improvements designed to help preserve the AuSable.

TEACHER'S BROTHER WINS AWARD

Dr. James H. Fyvie of Manistique, winner of the 1956 4-H State Alumni award, was honored Thursday, Aug. 24, at the State 4-H Club Show on the Michigan State University campus in East Lansing. He was one of three honored. Also cited were Mrs. Arnold Lehnert, a Remus housewife, and Dr. Russell G. Mawby of Augustana. The three 4-H alumni were cited for their continued outstanding service to "their club, their community and their country," as called for in the 4-H pledge they once recited.

Dr. Fyvie, once active in 4-H work in his native Luce County, earned his 4-H alumni recognition through service to his community as a medical doctor, and his active membership on countless committees and organizations. Among these are the American Academy of General Practice, the American Legion, the American Medical Association, the Rural Health Committee, the county board of education and the Elks. He is a former councilman and mayor of Manistique.

Dr. Fyvie and the others received citations at the State Show dinner Thursday evening. They were selected for the state honors by the Cooperative Extension Service, which directs 4-H work. Dr. Fyvie is the brother of Mrs. Elmer Fenton of Grayling.
